THE WIGAN BOROUGH DANCE FESTIVAL 2022

Following the success of the previous festivals, we are excited to announce the biggest dance festival programme yet. Bringing together dance schools, community groups and primary/secondary schools from across the Wigan Borough, this will be an incredible event.

Over the week we'll be hosting;

- Dance workshops in venues across the borough for all ages and abilities.
- 3 performance nights where dancers can celebrate their talents and achievements.
- A special International Women's Day celebration performance.
- More to be announced soon!

Get involved!

Schools & Colleges

Applications are now open for schools & colleges across Wigan to take part in the festival. Last year we had some amazing entries from schools and so we can't wait to see some fantastic performances. Your school or college can be involved by;

Hosting a bespoke dance workshop for your students at your venue.

Entering a performance group for one of our performance nights at the Edge Conference Centre, Wigan on 10th or 11th March. The performance days are part of the School Games Calender and support can be provided to help you create your entry.

Groups & Dance Schools

This is your dance schools chance to perform on a professional stage in front of up to 1000 people.

On Saturday 12th March we are bringing together dance schools and community groups for a spectacular night of dance.

During the day you will take part in dance workshops with industry choreographers, a finale workshop with Wigle Dance and you will get a 20 minute technical rehearsal on stage so that your dancers feel prepared.

The cost to take part in the community festival is £8 per dancer including festival t-shirt.

To register or for more information, email dancefest@wigledance.co.uk and a member of the team will be happy to help!
